

Name: _____

A Trace in the Life

I have assembled several traces from past experiences in my life. Using these documents, files, and pictures you will attempt to make a story of my life. You will have to DO history; you will need to figure out what each trace is, how it adds to my story, and what it says about the society I grew up in.

Trace	What is it?	When is it from?	What can you infer about my life or society as a whole?
